Nippon Kan is a 501(c)(3) Cross-Cultural Federal Non-Profit Organization

2014 Cross-Cultural School Tour Program — 37th consecutive year!

Dear Administrators and Teachers,

Nippon Kan is a non-profit, cross-cultural organization, showcasing traditional Japanese culture near downtown Denver. The facility features the largest Aikido dojo (martial arts school) in the Rocky Mountain region as well as traditional Japanese gardens, a museum of Japanese folk antiques and crafts, and the award-winning restaurant Domo — featuring country-style Japanese cuisine.

Community service is a large part of Nippon Kan's mission. In that regard, we would like to extend an invitation to any of your teachers who may be interested in bringing their students to Nippon Kan for a cultural tour. Nippon Kan has been providing school tours for the past thirty-seven years and on May 21st, 1994 Nippon Kan received the Community Service Award from Denver Public School's Asian Advisory Council.

Last year alone, over 3,500 students ranging from grades one through twelve visited Nippon Kan as part of their schools' Asian Studies units. For our 1 1/2 hour student tour, an age appropriate curriculum is chosen from a list of the following activities: A tour of the grounds and garden, demonstrations of Aikido, Origami, Japanese games, Brush Calligraphy, a guided lecture stroll through our Japanese folk art museum, and a wonderful country-style Japanese lunch.

Enclosed is an advertisement for the student tour program. Please pass this advertisement along to your teachers — especially those involved with Asian study programs. It is our hope that your students and teachers can take advantage of this opportunity for a truly unique and eye-opening field trip!

Please call to make reservations at Domo Restaurant at 303-595-3666. Tours can be scheduled Thursdays and Fridays, from 10:00 am to 11:30 am. A minimum of fifty participants is required for this tour. A nominal fee for the tour and lunch is \$10 per person. \$7 of this fee is pledged to direct support of Nippon Kan's Aikido Humanitarian Active Networks (AHAN). AHAN contributes and produces humanitarian projects around the world. For more information on Nippon Kan, please visit our web- site at www.nippon-kan.org, and see the enclosed flyer.

Thank you for your assistance,

DOMO RESTAURANT has been a primary supporter of AHAN projects since it first opened its doors in 1996. Domo has helped AHAN serve over 70,000 meals to Denver residents in need and participates in AHAN's Cross Cultural School Tour Program by providing Japanese country-style lunches for every tour.

Proceeds from these school tours specifically provide tons of rice per month in support of orphanages in Bangladesh, Myanmar and Thailand. By participating in these tours, your contribution goes to the direct aid of these children in need.
