# Domo Dinner Special Noodles

## Nabeyaki

CHOICE OF UDON OR RAMEN

This original country noodle dish is cooked a little differently than ordinary noodle dishes. Nabeyaki noodles are cooked individually in heavy cast iron pots with sliced pork. The noodles are topped with 2 ebi tempura and veggie tempura, soft cooked egg, scallion, wakame seaweed and kamaboko fishcake.

Head Chef Gaku Homma is from the snow country in northern Japan. Here, during the cold wintertime, Nabeyaki Udon or Ramen is quite popular!

Please enjoy this hearty and plentiful, wintertime special from Northern Japan.  
Includes 7 side dishes mini donburi below!
