## Nabeyaki

### CHOICE OF UDON OR RAMEN

This original country noodle dish is cooked a little differently than ordinary noodle dishes.

*Nabeyaki* noodles are cooked individually in heavy cast iron pots with sliced pork. The noodles are topped with soft cooked egg, scallion, veggie tempura, *wakame* seaweed and *kamaboko* fishcake.

Head Chef Gaku Homma is from the snow country in northern Japan. Here, during the cold wintertime, Nabeyaki Udon or Ramen is quite popular!

Please enjoy this hearty and plentiful, wintertime special from Northern Japan.

Includes 3 side dishes
